

# Older Adults in Poverty, 2005-2009 ACS 5-year Estimates

\* Note: Poverty status is determined for all non-institutionalized persons aged 15 years and over.

While every effort has been made to ensure the accuracy of this information, the Maricopa Association of Governments makes no warranty, expressed or implied, as to its accuracy and expressly disclaims liability for the accuracy thereof.

ACS estimates are period estimates that describe the average characteristics of population and housing over a period of data collection. Multiyear estimates cannot be used to say what is going on in any particular year in the period, only what the average value is over the full period. For more information about the ACS see [http://www.census.gov/acs/www/data\\_documentation/documentation\\_main/](http://www.census.gov/acs/www/data_documentation/documentation_main/)
