

Sandra E. Johnson, M.P.A., FACHE
Executive Vice President, Flinn Foundation

Ms. Johnson is responsible for implementing all Foundation activities and strategic plans, as well as providing administrative oversight to the Flinn Scholars Program. She has been responsible for increasing public awareness of the Foundation and Arizona's Bioscience Roadmap, the state's long-term plan to advance its bioscience sector, and has served as the primary liaison to the economic development community to advance the Roadmap.

Ms. Johnson is the immediate past chairman of the board and current board member for the Foundation for Senior Living, and serves as chair for both the Northern Arizona University Technology and Research Initiative Fund (TRIF) Oversight Committee and the Biotechnology Career Path Advisory Committee for Pima Community College and JobPath.

Prior to joining the Foundation in 2000, Ms. Johnson served as president and CEO of the Arizona Healthcare Federation, the state's first rural/urban health network, and president of the Arizona Affordable Health Care Foundation. She has more than 30 years of experience in health policy planning and implementation, hospital administration, legislative and regulatory affairs, and program development and planning. Ms. Johnson is a graduate of Syracuse University's Maxwell School of Public Administration and a Fellow in the American College of Healthcare Executives.
